

### Cutting and bending plan

Reinforced concrete foundation	Executed Date	Control Revision	Cutting list no. 1
--------------------------------	------------------	---------------------	--------------------

Construction part C	Foundation Sequence 1 modular line 1	Amount	1
---------------------	--------------------------------------	--------	---

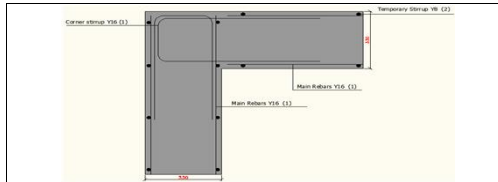

Profiles pr. construction part	Dimension	Steel no.	Amount	Cutting length	Total amount	Overall length
	Y16	1	4	2868	4	11
	Y8	2	90	1760	90	158

Dimension	Y8 (0,407)	Y16 (1,63)				Total Kg
Total length	158	11				
Total weight in Kg	64	19				83

### Cutting and bending plan

Reinforced concrete foundation	Executed Date	Control Revision	Cutting list no. 3
--------------------------------	------------------	---------------------	--------------------

Construction part C.D (Corner Stirrup)	Foundation Sequence 1 modular line 1,K	Amount	1
--	--	--------	---

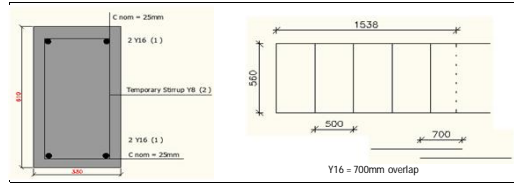

Profiles pr. construction part	Dimension	Steel no.	Amount	Cutting length	Total amount	Overall length
	Y16	1	4	2222	4	9
	Y8	2	90	1760	90	158

Dimension	Y16 (1,63)					Total Kg
Total length	9					
Total weight in Kg	14					14

### Cutting and bending plan

Reinforced concrete foundation	Executed Date	Control Revision	Cutting list no. 2
--------------------------------	------------------	---------------------	--------------------

Construction part D	Foundation Sequence 1 modular line K	Amount	1
---------------------	--------------------------------------	--------	---

Profiles pr. construction part	Dimension	Steel no.	Amount	Cutting length	Total amount	Overall length
	Y16	1	4	1538	4	6
	Y8	2	51	1780	51	91

Dimension	Y8 (0,407)	Y16 (1,63)				Total Kg
Total length	91	6				
Total weight in Kg	37	10				47
