

Agenda for recognising on the site.

How is the access ability to the site?

Will there be any traffical problems?

Will there be problems with the neighbour?

How can we connect to the technical installations?

Will we have to demolish anything?

Are there trees, bushes or anything we have to care about?

How are the ground/ surface?

Are there possibilities for parking?

Where can we place the shed/ cabins/ containers/ crane etc?

Will there be problems with the surrounding environment?
